1 Item 17c - Science & Engineering Faculty Assembly Membership Amendment

2

3

CONSTITUTIONAL AMENDMENT

4

**Amendment to Science & Engineering Faculty Assembly Membership**

5

6 Submitted by: Alex Balfe (VP Education)

7

8 **Insert after Schedule 11.1.2 (and renumber accordingly):**

9 (sss) 2<sup>nd</sup> Year Undergraduate Data Science

10 (ttt) 3<sup>rd</sup> Year Undergraduate Data Science

11 (uuu) 4<sup>th</sup> Year Undergraduate Data Science

12

13

14 **Rationale:**

15 The Data Science degree at Maynooth University has four years and therefore requires  
16 representation for each year. Currently, the MSU Constitution only provides for 1 year of  
17 representation.

18

19 Unofficial representatives have been elected to represent 2<sup>nd</sup> Year Undergraduate Data  
20 Science, 3<sup>rd</sup> Year Undergraduate Data Science, and 4<sup>th</sup> Year Undergraduate Data Science.

21 However, codifying these representatives into the membership is needed to integrate them  
22 into the Academic Representation system of the Union.
