## MANDATE

### **EOAC Implementation: Officer Report Circulation**

#### **Background:**

Pursuant to Article 8.23.2 of the MSU Constitution 2019, there shall be an Executive Oversight & Accountability Committee, as a subcommittee of the MSU Student Senate. However, in Article 8.31 it states that each member of the Executive shall deliver their officer report to the MSU Student Senate, or to the MSU Student Senate through its Executive Oversight & Accountability Committee, for the approval of the Committee, and of the MSU Student Senate. This means it is up to the Student Senate to decide where officer report go to for their scrutiny and approval.

The officer report take up a considerable amount of Student Senate time. They are the largest item on the agenda and by removing it to go to a subcommittee would streamline the discussions in senate.

To clarify, if all three of the following requests are passed by the Student Senate, Officer Reports shall be sent to the Executive Oversight & Accountability Committee for approval. The Executive Oversight & Accountability Committee shall then meet to approve or reject these reports. The Executive Oversight & Accountability Committee shall then send a report of their findings to the Student Senate for note, with copies of each Officer's Report attached.

Also, Officer Reports **shall be circulated** to all members of the Senate when they are circulated to the members of the Executive Oversight & Accountability Committee.

#### **The Student Senate Mandates**

(1) The MSU Student Senate shall order that Executive Officer Reports be submitted to the Executive Oversight & Accountability Committee. Executive Officer Reports shall be circulated to all members of the MSU Student Senate when they are circulated to the members of the Executive Oversight & Accountability Committee. Officer Reports shall be approved or rejected at the Executive Oversight & Accountability Committee.

#### **The Student Senate Further Mandates**

(2) The Executive Oversight & Accountability Committee shall send a report to the MSU Student Senate for note, for each meeting of the Executive Oversight & Accountability Committee held. This report shall include a copy of each Executive Officer's Officer Report.

#### **The Student Senate Further Mandates**

(3) The President shall deliver to the first meeting of the Executive Oversight & Accountability Committee, terms of reference for the Executive Oversight & Accountability Committee to use.
