MANDATE

Irish Language Campaign Visibility

Submitted by: Ruairí Weiner (Oifigeach na Gaeilge & Gnóthaí Cultúrtha)

Seconded by: Seán Masterson (Independent Senator)

Student Senate notes:

The great work of the USI recently to include the Irish language in some form on graphics for all major campaigns. This might, for example, include an as Gaeilge and English language poster being uploaded simultaneously on social media.

Student Senate recognises:

That the Oifigeach na Gaeilge & Gnóthaí Cultúrtha does exceptional work to translate official Union documents but these documents are not always widely viewed by non-elected members of the Union.

Student Senate therefore mandates:

Executive Officers to submit graphics for major campaigns to the Oifigeach na Gaeilge & Gnóthaí Cultúrtha so that translations or suggestions of Irish Language phrases may be included in some way in all major campaigns.
