Policy Manual Update to MSU Student Senate

Submitted by: Seán Masterson (Independent Senator)

Seconded by: Nicole Carr (HEAR Senator)

Student Senate notes:

The MSU Policy Manual is a vital instrument in ensuring the MSU Student Senate is consistent in maintaining the progression of mandates.

Student Senate further notes:

Ensuring that Senators are kept up-to-date with the contents of the MSU Policy Manual will help Senators to understand the history of the MSU Student Senate and will in turn make them more engaged Senators.

Student Senate further notes:

By providing Senators with a progression summary of all actions taken to further MSU mandates, the MSU Executive will be held more accountable for their actions.

Student Senate therefore mandates:

The MSU President to table (to the MSU Student Senate) the MSU Policy Manual (fully updated) in advance of the first sitting of MSU Student Senate each year.

Student Senate further mandates:

The MSU President to table (to the MSU Student Senate) the MSU Policy Manual (fully updated) in advance of the last meeting of MSU Student Senate each year, along with a progression summary of actions taken in the furtherance of all active MSU mandates in the MSU Policy Manual.
