MANDATE

Financial Transparency

Submitted by: Seán Masterson (Independent Senator)

Seconded by: Liam Cosgrove (Community Senator)

Student Senate notes:

That financial transparency for the Maynooth Students' Union (MSU) will strengthen the organisation and also allow students engage more functionally and effectively.

Student Senate believes:

That Union members have a right to have easy access to such documents.

Student Senate therefore mandates:

The MSU President to release annually audited and signed off financial accounts and that they shall be viewable online by all students.
